Portune Telling.
Those of our readers who wish to en a thought, was fired by the Loyal League from an obsence part of the town, lates might, about the time "when grave yard yawn," a noise as of a small canton wa age in the husiness of fortune tellin will shad the following hints useful:
January—He that is born in Junuary
will be labirious and a large of good
wine, he very antiject it tuit denly, and
withink into singer. The woman horn
in that month wil be a good house wife,
rather me ancholy, but good-no ared
liebruwy—The man born in this
month will love money mus, but laddes
more. He will be singy at boun but
prodigal shread. The lady will be hutiane and effectionate to her archer.
March—The man horn in March will
be rather handsome. He still be house
and prudent, but will die poor. The lady
will be passionate, jesious, and a obsiterbor.

watters the same mislorium will share the waite fale.

May—The man born in this month will be housed on a man block. He will have been with happy. The lady will be equally blessed in every respect.

June—The man born in this month will be unwil in statura, and possionally load of children. The lady will be apersonage four of coffee, and will marry young.

bust. Be will live or leave the month of August will be ambittous and courageous. He will have two wises. The lady will be unintie, and twies married, but her second husband will cause her to regret the first.

September—He who is born in ptember will be strong and prudent, but will be too many with he wife, who will cuttue him great uneastness. The lady at it is read in the decreed, and it will be treed, and it will be treed in the second with the wife, where the latest the second with the wife will be the latest the second with the wife will be a second with the will be a second with the will be a second wi
